

### **VERTICE BAGS RM100M LRT3 SUB-CONTRACT**

PETALING JAYA: Vertice Bhd has accepted a sub-contract offer worth RM100 million for works related to the Light Rail Transit Line 3 (LRT3) from Bandar Utama to Johan Setia. In a filing with Bursa Malaysia, Vertice said its wholly owned subsidiary Vertice Construction Sdn Bhd has accepted the offer under Package PC 1 from Reaplite Industry Sdn Bhd, the main contractor of the project. Under the sub-contract, Vertice will supply labour/workers, materials, tools, equipment and machinery for the Precast Viaduct (U-Trough Girder) for the construction and completion of LRT3. The construction period is about 24 months commencing March 6, 2019 till March 5, 2021. The sub-contract is expected to contribute positively towards the group's earnings and net tangible assets for the period of the sub-contract.
